MOTION TO SEAL SEARCH WARRANT, APPLICATION AND AFFIDAVIT IN  
SUPPORT OF SEARCH WARRANT

The United States of America, by its attorneys, Stephen M. Schenning, Acting United States Attorney for the District of Maryland, and Burden H. Walker, Assistant United States Attorney for said District, for the following reasons, moves this Honorable Court to order and direct that the search warrant, application for search warrants and affidavit in support of the search warrant in the above-captioned cases should be **SEALED**, and should not appear on the public docket or otherwise be known to the public at this time.

In support of this motion, the government submits that any premature disclosure of the search warrant application and affidavit in support of a search warrant could endanger federal agents and compromise the ongoing federal investigation. Specifically, disclosure would give the targets of the investigation an opportunity to destroy evidence, change patterns of behavior, notify confederates, and flee from prosecution.

Respectfully submitted,  
Stephen M. Schenning  
Acting United States Attorney
